THE NO B.S. POST-PANDEMIC LEADERSHIP DEVELOPMENT SPEAKER & AUTHOR

PAUL GLOVER

SPEAKER | AUTHOR | POST-PANDEMIC LEADERSHIP EXPERT

Former Federal Trial Lawyer Paul Glover is the No B.S. Post-Pandemic Leadership Expert with over 40 years of experience who understands the unique demands of post-pandemic leadership. After navigating a pivotal turning point that steered him away from his 22-year career as a Federal Trial Lawyer to an unexpected prison sentence, Paul became inspired to transfer his skills and profound experience to begin guiding executives on their own leadership journeys.

As Glover has dedicated over 25 years to coaching leaders to be the best versions of themselves, he is well-respected as a groundbreaking authority in this space. Paul details his expertise in WorkQuake™: Making the Seismic Shift to a Knowledge Economy, is a TEDx speaker, and has guided leaders of organizations generating up to \$1 billion in annual revenue.

He obtained his law degree from DePaul University, a Master's in Labor Law at IIT Kent, and specialized in labor and employment cases. Additional credentials include recognition by Brainz 500 Global and Forbes Coaching Counsel.

Paul's unique blend of legal acumen, storytelling finesse, and coaching proficiency sets him apart as a multifaceted expert in the post-pandemic leadership landscape. He's so confident audiences will love him that he offers a No B.S. Money Back Guarantee.

SIGNATURE PROGRAMS

Everyone, Especially Leaders, Needs a Fool in Their Life

Understand how having a "fool" can help modernday leaders identify blind spots and avoid triggers and self-destructive behavior as well as how to become a "fool" for someone else.

The Post-Pandemic Formula for Elevating Employee Retention, Engagement & Performance

Discover the significance of meaningful personal and professional relationships and how to foster lasting connections in both spheres.

Stop Fearing the F Bomb: Failure

Confront your fear of failure and learn why the fear of failure holds leaders back from taking calculated risks, learn to see failure as a springboard for innovation and growth and how reframing "failure" as a learning experience fosters a culture of experimentation and progress.

Discover why the post-pandemic work environment is providing fertile grounds for union organizers, why employees join a union, and how to union-proof your organization while increasing employee satisfaction, engagement, and retention.

ON STRIKE

Creating Sustainable Leadership for Turbulent Times

Discover how to navigate constant change and uncertainty, and learn the importance of sustainability and how to create sustainable leadership in any organization.

SIX REASONS TO HIRE PAUL

1. Future Thinking

Your group needs up-to-date information about how to lead effectively in a post-pandemic work environment. As an active coach and advisor to leaders and a writer about the post-pandemic work environment, his perspective on what is necessary for leaders and organizations to thrive in an uncertain environment is current and relevant.

2. Storyteller

Often, "It's not the song, but the singer" that determines a message's impact on the audience. As a "recovering" trial lawyer, Paul is an accomplished and enthusiastic storyteller who will engage your group so they will leave prepared to take action.

3. Customized

Your group wants a speaker who can relate to them and their issues, not a canned presentation. Paul spends the time necessary with your group to ensure his content is relevant and creates valuable takeaways for your group.

4. Bonus # 1

Every attendee receives a custom Playbook providing additional information to continue.

5. Bonus # 2

If your group wants a more in-depth understanding of the presentation's topic, Paul can provide an accompanying four-hour workshop.

6. Money-Back Guarantee

If you are not satisfied with Paul's presentation, he will offer you a refund of his speaking fee.

CLIENT TESTIMONIALS

"One of the best presentations the GCBAA has had! Having Paul as a presenter will guarantee positive meeting evaluations and fill your audience with ideas and suggestions for future education topics. His experience and ability to relate to the audience keep them engaged while discussing a sensitive subject matter."

Justin Apel, Executive Director, Golf Course Builders Association of America

"Paul's presentation on Every Leader Needs a Fool in their Life was riveting. At his conclusion, all 200 of the company's leaders gave him a standing ovation."

Doug York, President, Ewing Irrigation Supplies.

"Paul is a dynamic speaker! He presents with energy and enthusiasm while displaying a mastery of the subject matter. The 500 attendees rated Paul as a 9 out of a possible 10. And requested he be invited back. And he will be!"

Greg Wittstock, President, Aquascape Designs, Inc.

"Paul was outstanding as our keynote speaker. We enjoyed his presentation so much that we have already contracted him to return as a s keynote speaker on another topic."

Nancy Wajler, Manager, DuPage Executive Network

"Paul spoke to a group of business professionals at our Chamber of Commerce Roundtable Luncheon. His presentation, The 4A's of Employee Engagement, Retention & Relationship Building, was well prepared, interesting, impactful, and contained many helpful ideas and strategies. His presentation style was direct and held the audience's attention. In a follow-up survey, the attendees rated Paul's presentation a 9.5 out of a possible 10. We will definitely have Paul return."

Carol Levin, PR / Marketing Director - GLMV Chamber
